### EOG and EOC Testing Update

End-of-Grade (EOG) and End-of-Course (EOC) testing began this week. To-day (Friday, May 29) is reserved for make-up tests for grades 3 through 8.

Next week is EOC testing for our high school students.

To help your child do his or her best please be sure they get plenty of rest during the weeks of EOG and EOC testing. It is also helpful if they have a good breakfast. ACS does serve breakfast each morning if a student wishes to eat at school. Finally, please make sure your child arrives at school **ON TIME**. Once students begin testing, a late student cannot enter the room.

Students will test according to the following schedule:

Friday, May 29	EOG Make-ups	Grades 3-8
Monday, June 1	2nd Block Exam	High School
Tuesday, June 2	3rd Block Exam	High School
Wednesday, June 3	4th Block Exam	High School

## The Beginning Is Here!

“The Beginning”, ACS’s Literary / Art magazine is hot off the presses. Filled with student created art, poetry, and short stories each copy is only \$5 (to offset the cost of materials). To buy a copy see any of the student’s in Mr. Lee’s Creative Writing class.

## Remember the FIRST LEGO League

A reminder for students currently in Grades 5 through 7: Registration to join the ACS’s FIRST LEGO League is **due by next Friday** (the last day of school)! Refer to The Growl issue number 4 (May 22) for more information and the permission / registration form! Turn them in to Ms. Vogt as soon as possible. **Don’t miss that deadline!**

As the school year winds down, the ACS “Operation Veggie Bowl” garden keeps growing. On a sunny day, broccoli plants attract butterflies.
