### Pink Out / Coins for a Cure

On October 22 ACS will be having a school-wide Pink Day where staff and students will wear pink to support Breast Cancer Awareness Month. As part of this activity, students will collect coins in each classroom and have a school-wide competition for the most coins raised. The class raising the most money will get to paint the spirit rock pink with their handprints!

All of the money raised will be donated to Ms. Brenda Tyndall's Breast Cancer charity, "Journey of Hope".

You can learn more about how "Journey of Hope" helps those with cancer at <http://cchcfoundation.org/journey-of-hope.php> or follow them on Facebook at <https://www.facebook.com/journeyofhopecancersupport>

The mission of The Journey of Hope Cancer Support Center is to serve those who have been touched by cancer by providing support and resources that focus on the whole person: mind, body, and spirit.

## Every Child, Every Day!

## The BBN Is On The Air

Each morning a crew of budding broadcasters take to the airwaves at ACS to start the day with the morning announcements. Each team of "Bobcat Broadcast Network" anchors is made up of two students. They do the announcements for a week, then another team takes over. Once each of the four teams have had their turn, they start the rotation again. The announcements always begin with the Pledge of Allegiance, upcoming events, the day's birthdays, and the weather.

## Kindergarteners Learn Fire Safety from AVFS

Kindergarten students recently traveled to the Arapahoe Volunteer Fire Station to learn about fire safety. Mr. Jeremy Lee taught the students all about the fire truck, what to do in their homes in case of a fire, and what to say to the dispatcher when calling 911. The kindergarteners are planning to learn their addresses and make a fire safety plan for their homes. October is "Fire Safety" month, so this was a great opportunity to learn outside the classroom. ACS deeply appreciates the Arapahoe Volunteer Fire Station hosting this important learning opportunity.
